

Getting to Odiham

From the Woodley/Early area

Make for the A327 Shinfield Road via Lower Earley Way (B3270) or Wilderness Road (B3350). Follow the A327 through Shinfield, Arborfield and Eversley until it meets the A30 at a large roundabout about 3 miles south of Eversley.

Take the third exit on to the A30 westwards and continue on through Hartley Wintney. Continue for about one mile then turn left soon after the petrol station (B3016 – Odiham).

After 2.5 miles on the B3016, reach a T-junction with the A287. Turn left then, after 600 yards, reach a roundabout. Take the third exit (Odiham) and drive a half mile to reach the town centre.

Drive on through the town then, shortly after the pedestrian crossing lights and the white-painted “Bel and the Dragon” hotel, turn right at the sign for the Health Centre (immediately after a large tree). Parking is at the end of the cul-de-sac (Pay & Display, but free on Sunday).
